

Is having your kids at home  
24/7 causing more stress?

Would you like your child  
to cooperate more?

Discover tips and proven strategies  
to add to your parenting toolbox!

## Free Online Parenting Support

Raising kids isn't always easy — especially during COVID-19. The Positive Parenting Program is used by millions of families worldwide and will help you learn to better manage misbehavior, improve your parent-child relationship, and reduce stress for the entire family.

Join us for a free online 3-part seminar series  
Webinars held via Zoom

Date: March 10, 17 & 24, 2021 (Wednesdays)

Time: From 1:00 to 2:30 pm
