D. Announcement Regarding Public Comment

Michelle Krug, thanked the Board for implementing COVID19 protocols that made her feel very safe coming to this meeting. Ms. Krug spoke on behalf of Teresa Martinez who is a nurse and this is a perfect time to have someone in the medical field on the board. Teresa knows what works in this community she has volunteered helping with COVID19 testing sites. Her family has dealt with the juvenile system, immigration, and many other issues growing up and still got a college degree. She walks with a spirit of understanding and is vested in this community.

Evlyn Andrade, sister to Teresa Martinez, shared how their family has faced a lot of adversity and luckily both of us have been very successful in our careers. My sister likes to be behind the scenes; she knows what the true public health issues that our schools are facing. Teresa understands, as a single mother herself, what challenges parents face and ask that you support her.
