

Mount Vernon Elementary

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

MT. VERNON

SCHOOL

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Mount Vernon Elementary
Street	8350 Mount Vernon Street
City, State, Zip	Lemon Grove, CA 91945-3336
Phone Number	619-825-5613
Principal	Dianne Teglia
Email Address	dteglia@lemongrovesd.net
School Website	https://mve.lemongrovesd.net/
County-District-School (CDS) Code	37682056038632

2022-23 District Contact Information

District Name	Lemon Grove School District
Phone Number	(619) 825-5600
Superintendent	Erica Balakian
Email Address	ebalakian@lemongrovesd.net
District Website Address	https://www.lemongrovesd.net/

2022-23 School Overview

Mount Vernon School is located in the city of Lemon Grove, a community adjacent to the city of San Diego in San Diego County. We have 348 active learners in grades Pre-K to 6, coming from diverse backgrounds of races, cultures, and languages. This diversity is a source of our vitality as we constantly strive to design and provide a high quality educational experience for each student.

The Mount Vernon School community, which includes administrators, teachers, and classified staff, is dedicated to developing inquiring, knowledgeable, and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. Our students become bilingual, multi-skilled, active, and passionate lifelong learners who are prepared for success in all of their endeavors. The pursuit of excellence is our vision. The attainment of this vision directly relates to the Mount Vernon Elementary School's programs. Our school instruction includes the Mount Vernon Dual Immersion Academy (DIA) and International Baccalaureate (IB) School.

In the school year of 2021-2022, our school transitioned to a 90/10 dual immersion school. A key reason for the change was research that shows this dual language program model will best serve our elementary students to attain the multi-linguistic results that we strive to achieve. This change only impacts the students in kindergarten, first grade this year, and second grade this year. The transition this year does not impact other grade levels that were in the 50/50 model. This means that Kindergarten is learning 90% of the day in Spanish and 10% of the day in English. First grade is learning in Spanish 80% of the day and 20% they learn in English. Second grade is learning 70% of the day in Spanish and 30% of the day in English. Next year, third grade students will be learning 60% of the day in Spanish and 40% of the day in English. In 2023-2024, our school will reach full implementation as a 90/10 dual immersion model. Students in grades 4-6, will receive instruction in Spanish 50% of the day and in English the other 50%, until they graduate from sixth grade.

2022-23 School Overview

Mount Vernon School was reauthorized as an International Baccalaureate (IB) Primary Years Programme (PYP) school in 2021-2022. The PYP curriculum has evolved in response to the challenges and opportunities in our ever changing and complex world. The PYP is focused on agency and now includes three pillars as part of the curriculum: the learner, learning and teaching, and the learning community. Through agency, self-efficacy, and a supportive learning community students develop a partnership with teachers and understand they have voice, choice, and ownership for their own learning.

In 2021-2022, our school began to integrate Ghody Muhammads' equity framework for Culturally and Historically Responsive Teaching. The framework focuses on five pursuits: identity, skills, intellect, criticality, and joy. Our teachers have worked hard to integrate these pursuits into the six IB units they develop and teach throughout the year.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	10.90	61.09	124.20	85.43	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.40	0.33	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	0.00	0.00	12115.80	4.41
Unknown	6.90	38.85	20.70	14.23	18854.30	6.86
Total Teaching Positions	17.90	100.00	145.40	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.00	68.75	127.20	83.97	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	1.60	1.10	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.00	6.25	3.40	2.30	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	3.50	2.36	11953.10	4.28
Unknown	4.00	25.00	15.50	10.27	15831.90	5.67
Total Teaching Positions	16.00	100.00	151.40	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	1.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	1.00

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	0.00
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	0.00

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Lemon Grove School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. On September 14, 2021, the Lemon Grove School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees certified as required by Education Code §60119 that for the 2021-22 school year, the Lemon Grove School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, is available to pupils.

All Lemon Grove School District students, including all multilingual learners, have textbooks and instructional materials that are current and in good condition in accordance with Education Code requirements. All textbooks and instructional materials are provided in sufficient quantities for each student for use in class and to take home.

Year and month in which the data were collected

September 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	K-6 Benchmark Advance (2018)	Yes	0
Mathematics	K-6 Houghton-Mifflin Harcourt California Go Math (2014)	Yes	0
Science	K-5 Harcourt (2008) 6 Glencoe (2008)	Yes	0
History-Social Science	K-5 Houghton Mifflin (2007) 6 Glencoe (2007)	Yes	0

School Facility Conditions and Planned Improvements

Below is information about the safety, cleanliness, and adequacy of school facilities, including the condition of cleanliness of the school grounds, buildings, and restrooms. The District provides services through its Maintenance, Operations and Services (MOS) department. Lemon Grove School District (LGSD) continues to pride itself on maintaining quality facilities to provide a safe learning and working environment for its students and staff. School custodial and district maintenance staff conduct frequent inspections to ensure that all sites are clean, safe, well maintained and in good repair. Mobile cleaning teams have been used to provide in-depth cleaning-assistance services. The Maintenance Department is in the process of establishing preventative maintenance programs that ensure all schools are managed at an efficient operating level. All classrooms, playground areas and working space for students and staff satisfy building capacity requirements of the Education Code.

The Lemon Grove School District has always emphasized the importance of a clean, safe environment for learning and working. The environment of each campus is a matter of pride for students, staff and parents. To ensure that our facilities are in good repair condition, custodians at each site perform monthly inspections, and the district maintenance crews attempt to complete their work orders in a timely manner.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female

2021-22 Career Technical Education Programs

--

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	94%	92%	92%	88%	94%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents, extended family members, and community members are integral members of the Mount Vernon Community. Opportunities to become involved in school activities include: classroom volunteers, parent and family workshops, monthly leadership assemblies, book fairs, guest readers, and a host of other family friendly activities/events. We are committed to involving our parents every step of the way and are finding ways to connect. There are multiple opportunities available for

2022-23 Opportunities for Parental Involvement

parents to participate in the decision-making process. Parents can become involved in the School Site Council, English Language Advisory Committee, District English Learner Advisory Committee, and District Budget Advisory Committee. These various committees and collaboration activities allow families an opportunity to provide input about the school's initiatives, climate, and Title 1 Programs.

Mount Vernon staff works with the District Parent Liaison, Parent Volunteer Coordinator, and Parent Engagement Liaison Teacher to host free workshops that support parents and families within our community. Understanding that families need to be connected with school activities, Mount Vernon holds MV Community Circles, Parent Teacher Association Meetings, and Coffee with the Principal monthly. We also send monthly newsletters, which are also posted on our website and can be accessed in several languages to meet the needs of our culturally and linguistically diverse population. We maintain daily, ongoing communication with families via Class Dojo which allows us to communicate with individual families, classes and the whole school.

In 2022-2023, our school, with the support of families and staff, developed our Mount Vernon Parent Engagement Plan. There are three core values that guided our work around parent engagement 1) Mount Vernon Families are the greatest strength in their children's lives. 2) Mount Vernon Families have the right to be involved in their children's education. 3) It is the job of all Mount Vernon staff to engage with families. The plan outlines how we build intentional trust with our families, link families to student's learning and development, use an asset based approach that acknowledges families as equal partners in the education of their children, how we will be culturally responsive and respectful to families, and how we will partner with families in our parent engagement efforts and in creating engagement opportunities and supports.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate									
Graduation Rate									

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

Students with Disabilities		

2022-23 School Safety Plan

Mount Vernon's Comprehensive School Safety Plan (CSSP) includes policies, emergency and disaster procedures, analysis of school climate/culture and safety data, and action plans for improving our systems. All staff are trained in their responsibilities and roles during monthly emergency drills that help us to be prepared in case of an emergency. Every year in January, Mount Vernon's Safety Committee reviews, updates, and formalizes the school-wide understanding of the expectations and procedures to ensure the safety and well-being of everyone. Mount Vernon's Safety Committee is made up of staff, parents, and students. The plan is presented to the community for input before being presented to our School Site Council and the District School Board.

The Mount Vernon Community Expectations and Supports document was reviewed and modified with staff input in August 2021. Our safety plan outlines the implementation of Restorative Practices, an approach in which we seek to repair the harm done to people or a relationship. In addition we use Positive Behavioral Interventions and Supports (PBIS), an evidence based three tier approach to improve the systems and practices affecting students outcomes. Restorative Practices and PBIS are part of our action plan to support our students' well-being. The IB Learner Profile is also at the heart of our school culture to reach our school vision and mission statement. The IB Learner Profile is part of our International Baccalaureate program and it helps us foster the development of a global citizen in each of our students.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K				
1

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	7408.00	835.48	6572.52	54583.13
District	N/A	N/A	11970.72	
Percent Difference - School Site and District	N/A	N/A	-58.2	6.6
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	-40.5	9.2

2021-22 Types of Services Funded

In order to help our students succeed, our school offered a number of supports in the regular classroom and beyond. These supports were provided through a combination of federal and state funds that supported students both during and beyond the school day. The activities included:

Reading support for students in Kinder through 6th Grade included small group reading interventions with the classroom teacher as well as targeted small group or individual reading interventions. These targeted small group or individual reading interventions occurred with the school's Intervention Teacher or our Bilingual Instructional Aides in English and Spanish. Students also had access to online resources such as Raz-Kids in English and Spanish and iReady in English and Spanish. Both resources are adaptable software that tailor instruction to students' needs. Grade level before and/or after school intervention was also available to further support students with reading in the 2022-2023 school year.

Math support for students in Kinder through 6th Grade included small group math intervention with the classroom teacher as well as targeted small group or individual math interventions with the school's Intervention Teacher. Students also had access to online resources such as iReady Math adaptable software for grades Transitional Kinder through 6th Grade and math in Spanish. Both programs tailor the instruction to our students' needs. Grade level after school intervention was also available to further support students with math in the 2022-2023 school year.

Language Development Support for Multilingual Learners included daily designated time to support the development of English and Spanish language. The Bilingual Instructional Aides (BIAs) supported Multilingual Learners that needed support beyond the daily designated time weekly. In addition, we used Rosetta Stone with a number of our Multilingual Learners to support their language development in English.

Social-Emotional related services are provided by our School Social Worker. These services included student well-being groups, weekly classroom visits to the Wellness Classroom, the development and monitoring of 504 Plans, referrals for outside support and services, the implementation of Restorative Practices and the Second Step Curriculum for grades K-6.

Individualized Academic Instruction and Speech Services were provided for students with Individualized Education Plans (IEP). This continuum of services included a hybrid of both inclusion and resource room models.

The Extended Learning Program provided recreational and instructional support opportunities for our students before and after school.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	

Where there are student course enrollments of at least one student.

Professional Development

Teacher and staff professional development is an integral component for our continuous growth. This year our staff had the opportunity to participate in our annual Mount Vernon Summer Retreat and Summer Learning Institute. The retreat supported the development and alignment of our site strategic plan and focus with the districts. During the professional development training, we revisited our site goals so we continue to foster equity and a culture of connectedness and belonging through the continued implementation of Multi-Tiered Systems of Support (MTSS). The Learning Summer Institute gave staff an opportunity to attend workshops that would further develop their knowledge and skills related to Culturally and Historically Responsive Teaching (CHRT), Universal Design for Learning (UDL), Multilingual Learner Support, Restorative Practices, Positive Behavior Interventions Support (PBIS) and Panorama.

In addition, teachers participate in Ed Learn Wednesdays weekly and half day collaboration meetings every three weeks during the district provided AMPS (Art-Music-PE-Science) program. The Ed Learn Wednesday meetings are for district and site based ongoing professional development. Our site days focused on analyzing data, and Restorative Practices and Positive Behavioral Interventions and Support (PBIS) training. The collaboration meetings during AMPS (Art-Music-PE-Science) weeks were used to analyze classroom data for equity. Our Instructional Coach/IB Coordinator supported our teachers to integrate Gholdy Muhammad's five pursuits into our transdisciplinary IB units during AMPS (Art-Music-PE-Science) weeks.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	68	94	99
